

Dear Mr. Abu-Ghazaleh,

I am writing to extend my deepest and most sincere thanks for awarding me the Talal Abu-Ghazaleh International Award. It is an incredible honor to be selected for an award tied to such an esteemed name in the accounting profession, and I am truly humbled by your generosity.

Receiving this award has allowed me to reflect heavily on not only my educational journey, but my personal development as well throughout my time at Canisius University. When I opened the email stating that I was selected as a recipient of the TAGI Award, I was overcome with immense joy and gratitude. I have always felt extremely supported by everyone involved with the Department of Accounting at Canisius. Knowing that you and the distinguished members of the Council on Accountancy believe in my potential gives me the confidence and drive to continue working hard in my studies and future career.

I am committed to making the most of this opportunity and hope to one day give back to the next generation of students, just as you have invested in me.

Sincerely,
Kara Zaucha
